

## **REGULUS APPOINTS JASON ATTEW TO BOARD OF DIRECTORS AND CHAIR OF THE AUDIT COMMITTEE**

VANCOUVER, CANADA (June 6, 2019) – **Regulus Resources Inc.** (“**Regulus**” or the “**Company**”) (TSX.V – **REG**) is pleased to announce that Jason Attew, a mining industry veteran who has dedicated over 25 years to the sector, has been appointed to the Board of Directors and as Chair of the Audit Committee. Jason most recently served as the Chief Financial Officer at Goldcorp Inc. where, in addition to leading the finance and investor relations operations, he was also responsible for Goldcorp’s corporate development and strategy culminating in the US\$32 billion merger with Newmont Mining Corp. this past April. Jason also has extensive capital markets experience from his time in investment banking with the BMO Global Metals and Mining Group where he was at the forefront of structuring and raising significant growth capital as well as advising on both formative and transformational mergers and acquisitions for corporations that have become industry leaders over the past two decades. Jason holds a Master of Business Administration, Queen’s University and a Bachelor of Science (Honours), University of British Columbia.

John Black, CEO of Regulus, commented: *"We are delighted to welcome Jason Attew to the Regulus Board. Jason has a tremendous track record of building successful mining companies. His relationships in the industry coupled with his business acumen will immensely benefit Regulus as we move the AntaKori project forward to development."*

The Company has granted options to Mr. Attew to purchase 200,000 shares at \$1.40 per share for a period of 5 years, in accordance with the Company’s Stock Option Plan. Mr. Attew’s Board appointment and grant of options are subject to TSX Venture Exchange approval.

#### *Caution Regarding Forward-Looking Statements*

*This press release includes certain statements that may be deemed “forward-looking statements”. All statements in this discussion, other than statements of historical facts, that address future exploration drilling, exploration activities, anticipated metal production, internal rate of return, estimated ore grades, commencement of production estimates and projected exploration and capital expenditures (including costs and other estimates upon which such projections are based) and events or developments that the Company expects, are forward looking statements. Although the Company*

*believes the expectations expressed in such forward looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those in forward-looking statements. Factors that could cause actual results to differ materially from those in forward-looking statements include metal prices, exploration success, continued availability of capital and financing, and general economic, market or business conditions. Accordingly, readers should not place undue reliance on forward-looking statements.*
