

Regulus Resources Commences Trading on OTCQX in the USA

September 03, 2020 (Vancouver, BC) - Regulus Resources Inc. ("Regulus" or the "Company", REG TSX.V) is pleased to announce that the Company's common shares commenced trading today on the OTCQX® Best Market, a top tier public market in the United States, under the symbol "RGLSF". Regulus will continue to trade on the TSX Venture Exchange under the symbol "REG". U.S. investors can find current financial disclosure and Real-Time Level 2 quotes for the Company at www.otcmarkets.com.

"We are pleased to welcome Regulus Resources to the OTCQX Best Market," said Chris King, Senior Vice President of Corporate Services at OTC Markets Group. "Regulus Resources joins the growing number of Canadian companies that choose to cross-trade their shares in the U.S. on OTCQX, leveraging the market to efficiently distribute news and information and providing easier access for U.S. investors to trade their shares."

John Black, Chief Executive Officer of Regulus, commented as follows: *"As Regulus continues to grow, so too does our shareholder base. We are very pleased to be trading on the OTCQX which will increase our visibility and accessibility to our current and prospective U.S. and global shareholders."*

B. Riley FBR acted as the Company's OTCQX sponsor. B. Riley FBR is the marketing name for B. Riley Securities, Inc., a full-service investment bank and subsidiary of B. Riley Financial, Inc., based in Los Angeles with offices across the United States, providing corporate finance, research, sales and trading services.

About Regulus Resources Inc. and the AntaKori Project

Regulus Resources Inc. is an international mineral exploration company run by an experienced technical and management team. The principal project held by Regulus is the AntaKori copper-gold-silver project in northern Peru. The AntaKori project currently hosts a resource with indicated mineral resources of 250 million tonnes with a grade of 0.48 % Cu, 0.29 g/t Au and 7.5 g/t Ag and inferred mineral resources of 267 million tonnes with a grade of 0.41 % Cu, 0.26 g/t Au, and 7.8 g/t Ag (see press release dated March 1, 2019). Mineralization remains open in most directions.

Forward Looking Information

Certain statements regarding Regulus, including management's assessment of future plans and operations, may constitute forward-looking statements under applicable securities laws and necessarily involve known and unknown risks and uncertainties, most of which are beyond Regulus' control. Often, but not always, forward-looking statements or information can be identified by the use of words such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate" or "believes" or variations of such words and phrases or statements that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved.

Specifically, and without limitation, all statements included in this press release that address activities, events or developments that Regulus expects or anticipates will or may occur in the future, including the proposed exploration and development of the AntaKori project described herein, the completion of the anticipated drilling program, the completion of an updated NI 43-101 resource estimate, the impact of the COVID-19 pandemic on the Canadian and worldwide economy, the Company's workforce, world wide demand for commodities and the Company's business generally and management's assessment of future plans and operations and statements with respect to the completion of the anticipated exploration and development programs, may constitute forward-looking statements under applicable securities laws and necessarily involve known and unknown risks and uncertainties, most of which are beyond Regulus' control. These risks may cause actual financial and operating results, performance, levels of activity and achievements to differ materially from those expressed in, or implied by, such forward-looking statements. Although Regulus believes that the expectations represented in such forward-looking statements are reasonable, there can be no assurance that such expectations will prove to be correct. The forward looking statements contained in this press release are made as of the date hereof and Regulus does not undertake any obligation to publicly update or revise any forward-looking statements or information, whether as a result of new information, future events or otherwise, unless so required by applicable securities law.
